

Shingles Vaccination

You will become eligible on the first day of **September 2015** if you are **70 or 78**

Anyone who was eligible for immunisation in the **first 2 years** of the programme but has not yet been vaccinated remains eligible until their **80th birthday**.

This includes people:

- Aged **71 & 72** on **1st September 2015**
- & Aged **79**
